INTRODUCING "PHILATELIC SUPPLIES 2024"

This introduction has been written specially for new **Birds on Stamps** customers outlining our various services & what standards you can expect from us.

The company was established in 1964 so we are in our 61st year of business, over which time a wealth of experience has been gained in the fields we specialise in; these are basically **Worldwide Thematics** with a special focus on **Bird stamps**. Our 5,000 different sets and souvenir sheets are detailed on the Birds lists (92 pages). Many other thematic lists are available on our Website.

1). Our Thematic/Topical **Birds List** is the best we have seen, certainly from a description point of view; the coverage (years covered are approximately 1980-2024) and it is reasonably priced. These lists can also be examined on both of our websites.

We highlight on our lists **birds** which are **NEW to stamps**; no other dealer provides this invaluable free service.

2). Orders can be email-ed with your credit card details; for those who prefer, orders can be posted with cheque or credit card details. Card details can also be telephoned in separately.

There is no charge for these lists. We can send them every month, or every 2, 3, 4 or 6 months, whatever suits your collecting requirements.

3). We send out regular **New Issues Listings** on a monthly basis to customers who have a wide range of modern Birds stamps interests which are not confined to just one species. **With images of most new items provided**. There is no charge for these lists either. **One recent one with images is enclosed**

Our service level aspires to be the finest in the U.K. and probably in the World.

The key aspects are:

1). Orders are dealt with **"By Return"**, so assuming normal 2023-4 Post Office cooperation we aim to have your order back to you within 2-3 working days.

2). All stamps are provided in the **highest quality** unmounted mint condition. We only sell in the sort of condition that we would be prepared to buy back.

3). When ordering our new simpler **order forms** should be used. **We will photocopy** & return to you your annotated copy with the completed order. Larger orders can be placed indicating your requirements on our thematic/country list next to the price of any items required. We will photocopy the list and return the original to you. Alternatively you may wish to write orders out on paper.

4). **Our packaging** is more than adequate, this means that the Post Office did not damage one single item in transit last year. We also reuse all packaging returned to us - both transparent envelopes & cardboard as well as Mailite Bags. All orders are insured.

5). Our use of **current commemorative stamps** in complete sets where possible (i.e. £10.50 worth of postage upwards), means that collectors normally receive well postmarked G.B.. - customers using Special Delivery who are regular customers are virtually guaranteed a complete collection of **fine used** G.B. with circular date stamp postmarks being applied well at our local Post Office. **Postage Rates** are given at the end of page 77.
