MEDICAL STAMPS STANDING ORDER FORM

About the Service: The most popular modern stamps have always been those with Thematic or Topical content and now increasingly so. It is for this reason that we operate this specialist service and we have done so for nearly forty years. I personally select for each customer his likely requirements.

We send deliveries approximately every 6 weeks for **Medicine** minimum shipment £20. Though it is very difficult to forecast annual expenditure on this theme it was around £20 a week (2018-2019) for **all mint Medicine**. A deposit is not required for this service. We can **do a 10% discount** on a Standing Order for those customers taking all Medicine in your first year.

In addition to a standing order where you take all issues we can send regular, updated listings from which you may pick & choose some back issues. For **Medicine** lists are usually sent every 4-8 months allowing a reasonable accumulation of back issues to be listed. As a guide, we send most items listed in the New Issues section of Meditheme.

Our charges vary according to source of supply, on average we aim to make a 12% net profit on the service. Our prices are average though we have never seen another listing to compare with the comprehensive nature our own. We have over 100 different world-wide suppliers to ensure as complete coverage as possible. Medicine is a complex theme so we allow choices to be made (see items #1 to #4). Item 4) is sub-divided; For example, you may choose 4b) alone, which includes aircraft, ambulances, hosp.ships & rescue launches. Other possibilities may be countenanced, let me know your specific area of collecting interest. We routinely supply only illustrated FDC's, so ticking item 2a). ensures that you do not receive any tedious blank unaddressed First Day Covers.

We also make every effort to obtain odd values from mixed sets (i.e. where one is Medicine related & the rest irrelevant to your interests). **This important aspect is usually missing from other New Issue Services**. Two months notice is usually required for alteration to, or cancellation of any standing order, (some countries can currently take up to six months to reply!).

Enquiries concerning this service are most welcome, if you are phoning please ask to speak to Mark O'Neill on 0044-1462-684191 (9.30am-4.00pm UK time).
